**SUSTAINING CORPORATE MEMBER INFORMATION  
Ontario Food Protection Association  
Annual Meeting  
Wednesday, November 18, 2009  
Mississauga Convention Centre 75 Derry Road, Mississauga**

As a Sustaining Corporate Member of the Ontario Food Protection Association, you also have the privilege of advertising your company's products or services during any meetings held by the Ontario Food Protection Association. There are three options for advertising.

#### **Table Display/Mini Trade Show**

You may display your company products or services on a 3' by 8' table. The tabletop trade show is available for the full day, in a separate room where the breakfast, and the nutrition breaks will be made available. Although there is no charge for the display table and no charge for room rental, we are requiring that every corporate representative pays full member registration for the day. This will permit all representatives to participate in the various sessions as well as enjoy the meals, and nutrition breaks.

Because of the size of the room, the number of tables is limited to 26. Any company that has not registered for a table will have to wait until all the registered companies are set up before claiming a table. At that time there is a possibility that will not be any tables available. Prior to set-up please pick up your trade show registration confirmation from the main registration desk.

#### **Contribution of Door Prizes**

Contributed products and services will be displayed on the prize tables and when the prize is awarded the company will be formally identified. Please attach a business card or a label that is large enough for easy reading.

#### **Sponsorship of Nutrition Breaks, Lunches**

The third way of advertising is by sponsoring one of the nutrition breaks or luncheon. There are two levels of sponsorship. The first level is Platinum at \$1000, the second level of sponsorship is Gold at \$500. Your financial sponsorship will be displayed on the buffet tables during the nutrition break or luncheon that you are sponsoring. Your corporate name will also be included in the final agenda as a sponsor of that particular meal or nutrition break.
